Eligible applicants may apply for scholarship awards up to \$400 per course for undergraduate courses at a four-year college or university. Courses must be comparable to the pre-approved community college courses listed above and applicants must provide the following:

- a) a completed paper application; send an email request for a paper application to [childcare.scholarships@dss.virginia.gov](mailto:childcare.scholarships@dss.virginia.gov) or call 866.636.1608 and provide your name, address and phone number;
- b) on a separate piece of paper include the four-year university course number, title and description you would like to take (this information can be found in the university course catalog);
- c) the comparable community college pre-approved course listed above; and
- d) include items (b) and (c) in Section 8 on your paper scholarship application (see <http://courses.vccs.edu/courses> for community college descriptions.)
